## G. A. R. WILL MARCH

**SEDGWICK POST TO ATTEND MEMORIAL SERVICES IN A BODY.**

## RANDOLPH TO PREACH

**The Annual Sermon to Be Delivered in Christian Church Sunday Afternoon—Decoration Day Program Later.**

Sunday is the annual Memorial Sabbath and the day will be observed in Maryville and at a number of the churches over the county. The services in this city will be held at the First Christian church at 3 o'clock on Sunday afternoon and will be in charge of Rev. C. J. Miller, pastor of that church. Rev. J. D. Randolph, pastor of the Buchanan Street Methodist church, will preach the sermon. The music for the services will be furnished by the choir of the Christian church.

Members of Sedgwick Post G. A. R. will meet in their post room at 2:30 p. m. on Sunday and march to the church in a body. The public is extended a cordial invitation to attend these services.

Memorial Day will be observed with fitting exercises on Friday, May 30. The following committees have been appointed to make preparations for this day:

On flowers and decorations, The Women's Relief Corps.

On platform and chairs, Aaron Souers, A. Howard and J. E. O'Neal.

On marking graves—North cemetery, Charles Hyslop and J. E. O'Neal.

On marking graves—South cemetery, John G. Grems and J. M. Evans.

The program for the exercises on Memorial Day will be announced in a few days.

### PUTTING UP BIG ELEVATOR.

**Omaha Company Building Modern Storage House for Wheat at Clyde.**

Clyde is to have a big new elevator, built of concrete, with driveway and scales on interior, where the wheat may be weighed and emptied at once in the shortest space of time possible and with as little trouble and work as possible, and it is to be fireproof, besides.

The building is under course of erection right now by the Omaha Construction Company and will have a capacity of 8,000 bushels. The grain office is to be located there, also, and everything about the building will be up-to-date.

Clyde is one of the best wheat sections in this part of the country and the new elevator is an absolute necessity to the farmers of that community.

**Guilford Bankers at Meeting.**

Guilford's banks were well represented at the bankers' convention in St. Joseph Tuesday. J. J. Ballard, Robert M. Cordill and Carl Wray of the bank of Guilford, and J. G. Skidmore and J. L. Hocker of the Citizens' bank were all in attendance.

## THE SOIL IS GOOD

**TESTS SHOW GROUND AT WATER TOWER HAS RESISTANCE POWER.**

## 3,000 POUNDS TO FOOT

**After Two Weeks Weights Settled Only One-Eighth Inch—Settles Question Raised by Expert.**

The test conducted by Engineer F. L. Flynt for the board of public works on the bearing power of the soil on the water tower ground shows that there is good soil, as the settlement was only one-eight of an inch, and much of this occurred at the beginning when weights were being put on. The board of public works was figuring on a proposition submitted by L. J. Mensch of Chicago and they questioned the settlement of the soil. The board, however, has now a new plan in view for repairing and improving the tower, but the test conducted was a successful one.

Mr. Flynt used a cast iron plate, 12x12 inches on the ground, and then put on an 8x8 post, and then on top of the post a three foot square cast iron plate, wires being fastened to the post to keep it vertical. On top of the cast iron plate, heavy weights amounting to 3,000 pounds were put. It was left this way for two weeks and the settlement was only one-eighth of an inch. This shows a weight of one and a half tons to the square foot, or that the soil possesses power.

### SUIT IN JOHNSON'S COURT.

**Lee Hudson Won, The Jury Giving a Verdict of $23 for Him—Was Over Papering and Painting Bill.**

The case of Lee Hudson vs. Mr. and Mrs. H. A. Watts was on trial in Justice W. L. Johnson's court on Wednesday afternoon. The suit was over a papering and painting bill. M. G. Tate represented the plaintiff and R. L. McDougal, the defendants. The case was tried before a jury and the verdict of the jury was for the plaintiff for $23. The jury was composed of Will R. Hughes, E. F. Hamlin, H. E. Wright, Eph Tilton, J. F. Cook and John T. Yates.

### THE FORD WILL FILED.

**Estate of Elijah W. Ford Left to His Wife and Son, James A. Ford.**

The will of Elijah W. Ford, who died on February 14 in this city, was filed in probate court Thursday. It was written on December 11, 1906 and was witnessed by J. M. Howendobler and A. F. Harvey. Mrs. Ford was given the home place and a son, James A. Ford, was given two lots in this city. All of the personal property, consisting of money not notes, is to be divided between Mrs. Ford and James A. Ford. J. A. Ford was named as executor of the estate.

Miss Elizabeth McCormick went to Hopkins on a business trip.

### WILL PHOTOGRAPH RECORDS.

**Sisson Loan & Title Company Install New Machine and Will Have Complete Copy of All Transfers.**

The Sisson Loan and Title company are installing a machine known as a "Cameragraph," by which it is possible to copy records or other written or printed legal documents by photographic process, making an exact facsimile of the record or document as quickly as the operation of a kodak. It is a new method for copying deed records and other legal documents. The machine is in the office of J. Arthur Wray, recorder of deeds. Electricity is used and a copy of a record or legal document can be taken and made in a minute's time.

The machine is a new invention, having been patented in 1909. The Sisson Loan and Title company and its predecessors, the first to establish a title abstract business in Nodaway county, have kept constantly abreast of the times and notwithstanding the company owns what must be termed one of the most complete and best equipped abstract plants in the state, it now proposes adding to its office a fac-simile copy of the records of Nodaway county which will add greatly to its facilities and place its abstract equipment in the very forefront, second to none in the West.

### NEW HOSPITAL FOR ENSWORTH.

**Rev. Lucene Powell Was in Maryville Wednesday as Field Secretary for New Buildings in St. Joseph.**

Rev. Lucene Powell, a former Maryville resident, and one of the ablest and best known Methodist ministers in Northwest Missouri, was in Maryville Wednesday as field agent for the new Ensworth hospital fund. A new site will be selected in St. Joseph for the erection of new hospital buildings under the auspices of the Methodist Episcopal church. It is the purpose of this church to erect a hospital that will surpass any in the state in equipment and general facilities.

### CONCERT AT SPICKARD.

**Director Landon and Miss Marie Jones of the Conservatory Play and Sing Friday Night.**

Director P. O. Landon will leave Friday morning for Spickard, Mo., where he and Miss Marie Jones, who is studying in Kansas City, and Mr. Adolph Bock of St. Joseph will appear in a program of piano, voice and violin numbers on Friday night.

Mr. Landon will go to Jerseyville, Ill., from Spickard to visit over Sunday with his mother, Mrs. Mary Landon, and his little boys, Truman and Cort.

**Bishop Burke of St. Joseph Present.**

The feast of Corpus Christi is being celebrated Thursday at New Engelberg Abbey church at Conception, with the Rt. Rev. Bishop Burke of St. Joseph officiating. There was a large attendance at the services and the ceremonial procession was very imposing.

## GEORGE H. HODGES.

**The Governor of Kansas Would Have Legislature Suspend For Six Years.**

A novel idea is advanced by the executive of the Sunflower State. He thinks when a state has a lot of untried statutes on its books it should use them up before any more are passed. Just now he advocates a six years' recess of the Kansas legislature so the state may have a chance to catch up with the laws already acted.

## STATE GIVES AID

**DOMESTIC SCIENCE AND CORN SHOW GETS $300 FOR PRIZES.**

## IT MEANS MORE PRIZES

**Recent Legislature Appropriated Sum to Pay 30 Per Cent of Prizes of Agricultural Associations.**

The Nodaway County Agricultural and Domestic Science association will receive $300 from the state for their show to be given on October 30, 31 and November 1, in this city. It is a result of a bill passed by the recent legislature and which will become a law on June 22, allowing a county fair or agricultural society 30 per cent of the prizes listed, the state to pay the money out of a fund provided for that purpose. The maximum amount is $300. As the prizes to be given away by this county association amount to over $1,000, the association will be entitled to receive from the state their share or $300.

County Superintendent Oakerson will call a meeting soon of the executive committees of that association and also of the Nodaway County Live Stock and Agricultural association and plans will be discussed for giving away in prizes the $300 which they will receive.

The purpose of state aid for county fairs and agricultural fairs is to encourage these fairs and contests, as more can be accomplished in this way for the development of the agricultural resources of the state.

### WILL BE GIVEN SATURDAY.

**Declamatory Contest at Mozingo Valley Church in Evening of That Day.**

The declamatory program postponed on account of the rains on May 3 will be given at the Mozingo Valley church on May 24, 8 p. m. The program is as follows:

"Liquor versus Liberty," by James Jones.

"The Demand of Efficiency," by Clarence Jones.

"A Plea for National Prohibition," by Glade Wiley.

"A Plea for the Webb Bill Before the United States Senate," by James Clayton.

Besides the prize orations there will be music, vocal and instrumental. Everybody is welcome.

The young people should be heartily encouraged in this most praiseworthy endeavor. It required diligent even strenuous work on the part of the young men to prepare for this entertainment. Let them have a good hearing.

H. J. DUEKER.

### CLOSING DAY EXERCISES.

**Conception Junction School to Give Program on Saturday, Being the Last Day of School.**

## POLITICAL NOTES.

Although Republican newspapers and politicians are trying to stir up dissatisfaction over the distribution of patronage in the Democratic party, the effort is not succeeding. The manner in which the offices are administered is of more concern to the individual Democrats of the state than the mere personality of the particular Democrat who happens to hold the office.

Missouri has been having a good deal of experience with the initiative, but until this time the referendum has never yet been given a test. It now seems probable that the referendum will be applied to some of the acts of the last legislature. The home rule bill, the county unit bill, and some of the railroad legislation are the particular laws which may possibly be brought before the people of the state in this way. The Democratic administration here is taking no part, up to this time, and will not likely do so. Governor Major and the Democratic legislature simply followed the dictates and the pledges of the last Democratic state platform and if the opponents of any of these measures feel that the people will not support this legislation they have a right to put the matter to a popular vote in the next general election if they can secure enough petitioners for that purpose. It will then be up to the people to decide, and will not be a partisan matter.

In Michigan, where the manufacture of beet sugar is an important industry, the state authorities have been investigating the prices paid to the farmers for beets in the state and across the border in Ontario. The result is interesting as a comment on tariffs as they used to be made. The Michigan farmer, it was found, is paid $4.50 a ton for his beets, with an additional sum for beets having a sugar content above a certain per cent. The farmer pays for his seed and pays the freight. There is a tariff "protecting" the American farmer from the blighting competition of the farmers just across the St. Clair river in the Dominion. It was found, however, that the base price for beets was exactly the same on each side and that the Canadian farmer gets his seed free and pays no freight. The only offset for this advantage is that no bonus is paid on Canadian beets having a high sugar content. The conclusion of the investigators was that the Canadian gets a little better price for his beets than the American. The need for protection, therefore, is purely imaginary. A further interesting fact is that by making a flat rate to the Canadian and paying for his seed and the freight the apparent price which was paid for foreign beets was kept down and the tariff, which was ad valorem, was correspondingly low. This seems to indicate why business methods differed in the two countries and to illustrate once more the passing astuteness of the sugar interests when it comes to getting the best of everybody.—Republic.

**Deafness Cannot Be Cured**

local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free.

## Communcation

Editor Democrat-Forum: Has it come to pass that common ordinary folks who either walk the street or ride in buggies or farm wagons have no rights that the average automobile owner is bound to respect? The law allows him (or her) a speed of nine miles an hour within the city limits, but he assumes to himself the right to race up and down our paved streets at the rate of anywhere from 20 to 40 miles an hour, making a noise and raising a dust that is simply horrible, actually making the paved streets of our city the undesirable part to live in. Does it not look a little as if the people who paid for paving these streets are entitled to some respect from those who use them? What have you to say, Mr. Automobile Owner.

### Dow Cook Operated Upon.

Mrs. T. H. Cook received a letter Thursday morning from Prof. T. H. Cook, saying that their son Dow, whom he took to Chicago a week ago, for treatment from Dr. Murphy, was getting along nicely and that Dr. Murphy had made one injection of serum for Dow's diseased hip. He has been put to bed and the extension apparatus fastened to his foot and he will receive regular treatments for awhile. Dr. Murphy is confident that Dow will recover his health, and thinks his present condition is due to a fall he received a few weeks ago. This is the second time that Dow has been under treatment by Dr. Murphy.

### More Pheasants From Jefferson City.

Wm. Jeffers, Edgar Miller and Fay Applegate of Hopkins are among the farmers who have recently received pheasants from the proper state authorities, each one receiving four birds. The pheasants have been placed on the respective farms of these men and in due time we may expect a large number of pheasants in this part of the state as many farmers last year and the year before turned pheasants loose on their farms. They are being protected, too, and a man convicted of killing one of them would not escape with a light fine.—Hopkins Journal.

### Boy Gets Insurance.

The Modern Woodmen of America must pay the minor son of the late Dr. J. M. Hamblin, Shenandoah, $2,000 plus $59 interest. A jury in the district court at Clarinda, Ia., on Tuesday afternoon returned a verdict in favor of the plaintiff, Andrew Johnston, guardian of the Hamblin boy in whose name the suit was brought. Doctor Hamblin died last July at the Mineral Springs in Burlington Junction.

### Visitor From Bolckow.

Mrs. Wier Cooper of Bolckow arrived Thursday for a few day's visit with her brother, W. E. Goforth and family. She was accompanied by Master Donald Goforth, who has been visiting in Bolckow a week.

### Here for the Commencement.

Mr. and Mrs. Thomas Ficklin of Stanberry returned home Thursday accompanied by their daughter, Miss Alice Ficklin, who graduated Wednesday from the State Normal.

Mrs. George L. Reynolds of West Second street returned Wednesday from a two weeks' visit with her daughter, Mrs. C. B. Hornbuckle, living east of the Mt. Ayr church.

Mrs. E. A. Rask of Chicago, who has been visiting her mother, Mrs. S. F. McCrary, will leave Friday for her home.

## You Can Rely on Deering Twine

Deering twine is made in the same large plant where Deering binders are made. The manufacturers of Deering binders make twine because they want a twine used with the Deering binder that can be absolutely relied on.

Twine troubles are almost invariably blamed on the binder. In order to escape these troubles Deering twine is as perfect as human skill can make it—as reliable as the best material and skilled workmanship can make it.

Give your binder a chance to do its best work by using reliable Deering twine. We handle it in the following brands and lengths: Sisal, 500 feet; Standard Sisal, 500 feet; Manila, 600 feet; Pure Manila, 650 feet.

## CARDUI WORKED LIKE A CHARM

**After Operation Failed to Help, Cardui Worked Like a Charm.**

Jonesville, S. C.—"I suffered with womanly trouble," writes Mrs. J. S. Kendrick, in a letter from this place, "and at times, I could not bear to stand on my feet. The doctor said I would never be any better, and that I would have to have an operation, or I would have a cancer.

I went to the hospital, and they operated on me, but I got no better. They said medicines would do me no good, and I thought I would have to die.

At last I tried Cardui, and began to improve, so I continued using it. Now, I am well, and can do my own work. I don't feel any pains.

Cardui worked like a charm."

There must be merit in this purely vegetable, tonic remedy, for women—Cardui—for it has been in successful use for more than 50 years, for the treatment of womanly weakness and disease.

Please try it, for your troubles.

N. B.—*Write to:* Ladies' Advisory Dept., Chattanooga Medicine Co., Chattanooga, Tenn., for *Special Instructions*, and 64-page book, "Home Treatment for Women," sent in plain wrapper, on request.

George L. Wilfley of the Maryville National bank attended the bankers' convention in St. Joseph Wednesday.

SEDGWICK POST TO ATTEND MEMORIAL SERVICES IN A BODY.

## RANDOLPH TO PREACH

**The Annual Sermon to Be Delivered in Christian Church Sunday Afternoon—Decoration Day Program Later.**

Sunday is the annual Memorial Sabbath and the day will be observed in Maryville and at a number of the churches over the county. The services in this city will be held at the First Christian church at 3 o'clock on Sunday afternoon and will be in charge of Rev. C. J. Miller, pastor of that church. Rev. J. D. Randolph, pastor of the Buchanan Street Methodist church, will preach the sermon. The music for the services will be furnished by the choir of the Christian church.

Members of Sedgwick Post G. A. R. will meet in their post room at 2:30 p. m. on Sunday and march to the church in a body. The public is extended a cordial invitation to attend these services.

Memorial Day will be observed with fitting exercises on Friday, May 30. The following committees have been appointed to make preparations for this day:

On flowers and decorations, The Women's Relief Corps.

On platform and chairs, Aaron Souers, A. Howard and J. E. O'Neal.

On marking graves—North cemetery, Charles Hyslop and J. E. O'Neal.

On marking graves—South cemetery, John G. Grems and J. M. Evans.

The program for the exercises on Memorial Day will be announced in a few days.

### PUTTING UP BIG ELEVATOR.

**Omaha Company Building Modern Storage House for Wheat at Clyde.**

Clyde is to have a big new elevator built of concrete, with driveway and scales on interior, where the wheat may be weighed and emptied at once in the shortest space of time possible and with as little trouble and work as possible, and it is to be fireproof, besides.

The building is under course of erection right now by the Omaha Construction Company and will have a capacity of 8,000 bushels. The grain office is to be located there, also, and everything about the building will be up-to-date.

Clyde is one of the best wheat sections in this part of the country and the new elevator is an absolute necessity to the farmers of that community.

**Guilford Bankers at Meeting.**

Guilford's banks were well represented at the bankers' convention in St. Joseph Tuesday. J. J. Ballard, Robert M. Cordill and Carl Wray of the bank of Guilford, and J. G. Skidmore and J. L. Hocker of the Citizens' bank were all in attendance.

## THE SOIL IS GOOD

TESTS SHOW GROUND AT WATER TOWER HAS RESISTANCE POWER.

## 3,000 POUNDS TO FOOT

**After Two Weeks Weights Settled Only One-Eighth Inch—Settles Question Raised by Expert.**

The test conducted by Engineer F. L. Flynt for the board of public works on the bearing power of the soil on the water tower ground shows that there is good soil, as the settlement was only one-eight of an inch, and much of this occurred at the beginning when weights were being put on. The board of public works was figuring on a proposition submitted by L. J. Mensch of Chicago and they questioned the settlement of the soil. The board, however, has now a new plan in view for repairing and improving the tower, but the test conducted was a successful one.

Mr. Flynt used a cast iron plate, 12x12 inches on the ground, and then put on an 8x8 post, and then on top of the post a three foot square cast iron plate, wires being fastened to the post to keep it vertical. On top of the cast iron plate, heavy weights amounting to 3,000 pounds were put. It was left this way for two weeks and the settlement was only one-eighth of an inch. This shows a weight of one and a half tons to the square foot, or that the soil possesses power.

### SUIT IN JOHNSON'S COURT.

**Lee Hudson Won, The Jury Giving a Verdict of $23 for Him—Was Over Papering and Painting Bill.**

The case of Lee Hudson vs. Mr. and Mrs. H. A. Watts was on trial in Justice W. L. Johnson's court on Wednesday afternoon. The suit was over a papering and painting bill. M. G. Tate represented the plaintiff and R. L. McDougal, the defendants. The case was tried before a jury and the verdict of the jury was for the plaintiff for $23. The jury was composed of Will R. Hughes, E. F. Hamlin, H. E. Wright, Eph Tilton, J. F. Cook and John T. Yates.

### THE FORD WILL FILED.

**Estate of Elijah W. Ford Left to His Wife and Son, James A. Ford.**

The will of Elijah W. Ford, who died on February 14 in this city, was filed in probate court Thursday. It was written on December 11, 1906 and was witnessed by J. M. Howendobler and A. F. Harvey. Mrs. Ford was given the home place and a son, James A. Ford, was given two lots in this city. All of the personal property, consisting of money not notes, is to be divided between Mrs. Ford and James A. Ford. J. A. Ford was named as executor of the estate.

Miss Elizabeth McCormick went to Hopkins on a business trip.

### WILL PHOTOGRAPH RECORDS.

**Sisson Loan & Title Company Install New Machine and Will Have Complete Copy of All Transfers.**

The Sisson Loan and Title company are installing a machine known as a "Cameragraph," by which it is possible to copy records or other written or printed legal documents by photographic process, making an exact facsimile of the record or document as quickly as the operation of a kodak. It is a new method for copying deed records and other legal documents. The machine is in the office of J. Arthur Wray, recorder of deeds. Electricity is used and a copy of a record or legal document can be taken and made in a minute's time.

The machine is a new invention, having been patented in 1909. The Sisson Loan and Title company and its predecessors, the first to establish a title abstract business in Nodaway county, have kept constantly abreast of the times and notwithstanding the company owns what must be termed one of the most complete and best equipped abstract plants in the state, it now proposes adding to its office a fac-simile copy of the records of Nodaway county which will add greatly to its facilities and place its abstract equipment in the very forefront, second to none in the West.

### NEW HOSPITAL FOR ENSWORTH.

**Rev. Lucene Powell Was in Maryville Wednesday as Field Secretary for New Buildings in St. Joseph.**

Rev. Lucene Powell, a former Maryville resident, and one of the ablest and best known Methodist ministers in Northwest Missouri, was in Maryville Wednesday as field agent for the new Ensworth hospital fund. A new site will be selected in St. Joseph for the erection of new hospital buildings under the auspices of the Methodist Episcopal church. It is the purpose of this church to erect a hospital that will surpass any in the state in equipment and general facilities.

### CONCERT AT SPICKARD.

**Director Landon and Miss Marie Jones of the Conservatory Play and Sing Friday Night.**

Director P. O. Landon will leave Friday morning for Spickard, Mo., where he and Miss Marie Jones, who is studying in Kansas City, and Mr. Adolph Bock of St. Joseph will appear in a program of piano, voice and violin numbers on Friday night.

Mr. Landon will go to Jerseyville, Ill., from Spickard to visit over Sunday with his mother, Mrs. Mary Landon, and his little boys, Truman and Cort.

**Bishop Burke of St. Joseph Present.**

The feast of Corpus Christi is being celebrated Thursday at New Engelberg Abbey church at Conception, with the Rt. Rev. Bishop Burke of St. Joseph officiating. There was a large attendance at the services and the ceremonial procession was very imposing

## GEORGE H. HODGES.

The Governor of Kansas Would Have Legislature Suspend For Six Years.

A novel idea is advanced by the executive of the Sunflower State. He thinks when a state has a lot of untried statutes on its books it should use them up before any more are passed. Just now he advocates a six years' recess of the Kansas legislature so the state may have a chance to catch up with the laws already acted.

## STATE GIVES AID

DOMESTIC SCIENCE AND CORN SHOW GETS $300 FOR PRIZES.

## IT MEANS MORE PRIZES

**Recent Legislature Appropriated Sum to Pay 30 Per Cent of Prizes of Agricultural Associations.**

The Nodaway County Agricultural and Domestic Science association will receive $300 from the state for their show to be given on October 30 31 and November 1, in this city. It is a result of a bill passed by the recent legislature and which will become a law on June 22, allowing a county fair or agricultural society 30 per cent of the prizes listed, the state to pay the money out of a fund provided for that purpose. The maximum amount is $300. As the prizes to be given away by this county association amount to over $1,000, the association will be entitled to receive from the state their share or $300.

County Superintendent Oakerson will call a meeting soon of the executive committees of that association and also of the Nodaway County Live Stock and Agricultural association and plans will be discussed for giving away in prizes the $300 which they will receive.

The purpose of state aid for county fairs and agricultural fairs is to encourage these fairs and contests, as more can be accomplished in this way for the development of the agricultural resources of the state.

### WILL BE GIVEN SATURDAY.

**Declamatory Contest at Mozingo Valley Church in Evening of That Day.**

The declamatory program postponed on account of the rains on May 3 will be given at the Mozingo Valley church on May 24, 8 p. m. The program is as follows:

"Liquor versus Liberty," by James Jones.

"The Demand of Efficiency," by Clarence Jones.

"A Plea for National Prohibition," by Glade Wiley.

"A Plea for the Webb Bill Before the United States Senate," by James Clayton.

Besides the prize orations there will be music, vocal and instrumental. Everybody is welcome.

The young people should be heartily encouraged in this most praiseworthy endeavor. It required diligent even strenuous work on the part of the young men to prepare for this entertainment. Let them have a good hearing.

H. J. DUEKER.

### CLOSING DAY EXERCISES.

**Conception Junction School to Give Program on Saturday, Being the Last Day of School.**

## POLITICAL NOTES.

Although Republican newspapers and politicians are trying to stir up dissatisfaction over the distribution of patronage in the Democratic party, the effort is not succeeding. The manner in which the offices are administered is of more concern to the individual Democrats of the state than the mere personality of the particular Democrat who happens to hold the office.

Missouri has been having a good deal of experience with the initiative, but until this time the referendum has never yet been given a test. It now seems probable that the referendum will be applied to some of the acts of the last legislature. The home rule bill, the county unit bill, and some of the railroad legislation are the particular laws which may possibly be brought before the people of the state in this way. The Democratic administration here is taking no part, up to this time, and will not likely do so. Governor Major and the Democratic legislature simply followed the dictates and the pledges of the last Democratic state platform and if the opponents of any of these measures feel that the people will not support this legislation they have a right to put the matter to a popular vote in the next general election if they can secure enough petitioners for that purpose. It will then be up to the people to decide, and will not be a partisan matter.

In Michigan, where the manufacture of beet sugar is an important industry, the state authorities have been investigating the prices paid to the farmers for beets in the state and across the border in Ontario. The result is interesting as a comment on tariffs as they used to be made. The Michigan farmer, it was found, is paid $4.50 a ton for his beets, with an additional sum for beets having a sugar content above a certain per cent. The farmer pays for his seed and pays the freight. There is a tariff "protecting" the American farmer from the blighting competition of the farmers just across the St. Clair river in the Dominion. It was found, however, that the base price for beets was exactly the same on each side and that the Canadian farmer gets his seed free and pays no freight. The only offset for this advantage is that no bonus is paid on Canadian beets having a high sugar content. The conclusion of the investigators was that the Canadian gets a little better price for his beets than the American. The need for protection, therefore, is purely imaginary. A further interesting fact is that by making a flat rate to the Canadian and paying for his seed and the freight the apparent price which was paid for foreign beets was kept down and the tariff, which was ad valorem, was correspondingly low. This seems to indicate why business methods differed in the two countries and to illustrate once more the passing astuteness of the sugar interests when it comes to getting the best of everybody.—Republic.

### Deafness Cannot Be Cured

local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free.

## Communcation

Editor Democrat-Forum: Has it come to pass that common ordinary folks who either walk the street or ride in buggies or farm wagons have no rights that the average automobile owner is bound to respect? The law allows him (or her) a speed of nine miles an hour within the city limits, but he assumes to himself the right to race up and down our paved streets at the rate of anywhere from 20 to 40 miles an hour, making a noise and raising a dust that is simply horrible, actually making the paved streets of our city the undesirable part to live in. Does it not look a little as if the people who paid for paving these streets are entitled to some respect from those who use them? What have you to say, Mr. Automobile Owner.

### Guest From Council Bluffs.

Miss Margaret Sherman of Council Bluffs, Ia., arrived in Maryville Wednesday evening and is the guest of Miss Hattie Pierce. Miss Sherman is an artist in fine needle work and has on display at the Staples millinery store quite a line of her work.

### Visiting University Friends.

Miss Beatrice Sewell left Thursday morning for Baldwin, Kan., for a two weeks' visit with Misses Jennie and Dorothy Hann. Miss Sewell attended Baker University at Baldwin last year, where the Misses Hann are students.

### Their Daughter Graduated.

Mr. and Mrs. J. T. Alley of Mercer, Mo., came to attend the State Normal commencement exercises to see their daughter, Miss Ona Alley, graduate.

Mrs. Michael Liston and son, Louis, went to Kansas City Thursday morning to visit her sister, Mrs. Fred Hawkins. She will be accompanied home by her mother, Mrs. Jacob Kissinger, who is now visiting there.

### Dow Cook Operated Upon.

Mrs. T. H. Cook received a letter Thursday morning from Prof. T. H. Cook, saying that their son Dow, whom he took to Chicago a week ago, for treatment from Dr. Murphy, was getting along nicely and that Dr. Murphy had made one injection of serum for Dow's diseased hip. He has been put to bed and the extension apparatus fastened to his foot and he will receive regular treatments for awhile. Dr. Murphy is confident that Dow will recover his health, and thinks his present condition is due to a fall he received a few weeks ago. This is the second time that Dow has been under treatment by Dr. Murphy.

### More Pheasants From Jefferson City.

Wm. Jeffers, Edgar Miller and Fay Applegate of Hopkins are among the farmers who have recently received pheasants from the proper state authorities, each one receiving four birds. The pheasants have been placed on the respective farms of these men and in due time we may expect a large number of pheasants in this part of the state as many farmers last year and the year before turned pheasants loose on their farms. They are being protected, too, and a man convicted of killing one of them would not escape with a light fine.—Hopkins Journal.

### Boy Gets Insurance.

The Modern Woodmen of America must pay the minor son of the late Dr. J. M. Hamblin, Shenandoah, $2,000 plus $59 interest. A jury in the district court at Clarinda, Ia., on Tuesday afternoon returned a verdict in favor of the plaintiff, Andrew Johnston, guardian of the Hamblin boy in whose name the suit was brought. Doctor Hamblin died last July at the Mineral Springs in Burlington Junction.

## News of Society and Womens' Clubs

### Will Entertain Club and Husbands.

Mrs. Gallatin Craig and Mrs. O. L. Holmes will entertain the Penelope club and the husbands of the club members Friday evening at Mrs. Craig's home.

### Had a Social Time.

The choir of the First M. E. church, after their practice work Wednesday night at the Conservatory of Music, had a social time and light refreshments were served. It was in honor of Lona Perrin, who is a member of the choir and who will leave soon for St. Joseph.

### Wednesday Dinner Guests.

Miss Beatrice Sewell, daughter of Mr. and Mrs. J. H. Sewell, was the hostess of a 12 o'clock dinner party Wednesday, her guests including Miss Mattie Simmons, Miss Elizabeth Sobbing, Miss Mabel Graham, Miss Grace DeMotte, Miss Mary Sewell, and Miss Rose Byers of Graham, a cousin of the hostess.

### Will Meet With Mrs. Kemp.

The Women's Home Missionary Society of the First M. E. church will meet Friday afternoon at the country home of Mrs. M. D. Kemp, who lives one mile north of the city. All of the ladies of the church are cordially invited and those wishing to go will meet at the church at 1 o'clock, where conveyances will be waiting to take them to Mrs. Kemp's home, if the weather is agreeable. If not, the meeting will be held at the home of Mrs. H. E. Wright on North Main street. Mrs. R. S. Braniger will lead the devotions. Mrs. J. Arthur Wray will conduct the first part of the lesson under the subject "Women Officers of the Church." "Their Forms of Organization" will be presented by Mrs. H. C. Bower. "A Day in School," by Miss Elizabeth Evans. During the social hour, Mrs. Wright, Mrs. S. H. Kemp and Mrs. J. C. Archer will serve.

### Attended Normal Commencement.

Mrs. J. H. Petree and her mother, Mrs. Elizabeth Bell, of Rosendale, came to the State Normal commencement exercises, their daughter and granddaughter being a member of the class.

## You Can Rely on Deering Twine

Deering twine is made in the same large plant where Deering binders are made. The manufacturers of Deering binders make twine because they want a twine used with the Deering binder that can be absolutely relied on.

Twine troubles are almost invariably blamed on the binder. In order to escape these troubles Deering twine is as perfect as human skill can make it—as reliable as the best material and skilled workmanship can make it.

Give your binder a chance to do its best work by using reliable Deering twine. We handle it in the following brands and lengths: Sisal, 500 feet; Standard Sisal, 500 feet; Manila, 600 feet; Pure Manila, 650 feet.

## CARDUI WORKED LIKE A CHARM

**After Operation Failed to Help, Cardui Worked Like a Charm.**

Jonesville, S. C.—"I suffered with womanly trouble," writes Mrs. J. S. Kendrick, in a letter from this place, "and at times, I could not bear to stand on my feet. The doctor said I would never be any better, and that I would have to have an operation, or I would have a cancer.

I went to the hospital, and they operated on me, but I got no better. They said medicines would do me no good, and I thought I would have to die.

At last I tried Cardui, and began to improve, so I continued using it. Now, I am well, and can do my own work. I don't feel any pains.

Cardui worked like a charm."

There must be merit in this purely vegetable, tonic remedy, for women—Cardui—for it has been in successful use for more than 50 years, for the treatment of womanly weakness and disease.

Please try it, for your troubles.
